

## **LARC IUD Online Course Disclosure Information**

### **Successful Completion**

This presentation offers 1.5 contact hours. To receive contact hours, participants must complete the online evaluation and request for credit form and complete the course with a satisfactory grade of 80% or higher on all module quizzes. CNE and Certificates of Completion are available immediately for electronic download upon satisfactory completion of the course.

### **Objectives**

At the completion of this online course, participants will be able to:

1. Identify reasons for use of a tenaculum during IUD placement;
2. Describe correct use of uterine sound during IUD placement;
3. Demonstrate correct hand skills for placement of the copper IUD and the levonorgestrel IUDs;
4. Explain the differences between the 5 IUDs currently on the market in the U.S.; and
5. Summarize the U.S. MEC category 3 and 4 recommendations regarding levonorgestrel and copper IUDs.

### **Conflict of Interest**

In accordance with continuing education guidelines, the speaker and planning committee members have disclosed commercial interests/financial relationships with companies whose products or services may be discussed during this program.

Speaker: Patty Cason, RN, MS, FNP-BC serves on the advisory boards and speakers bureau for Merck, Actavis, and Bayer, and is a consultant with Teva (Resolved).

Planning Committee: Angela Bolen, Viannella Halsall, Sharon Colbert, and Kimberly Carlson have nothing to disclose. Jacki Witt serves on the advisory boards for Afaxys Pharmaceuticals and Merck HPV Vaccine (Resolved).

### **Commercial Support**
