

## **Disclosure Information**

### **LARC IUD Placement Training**

Presented by the Clinical Training Center for Family Planning  
and University of Missouri-Kansas City School of Nursing and Health Studies

#### **Objectives for IUD Placement:**

- Identify reasons for use of a tenaculum during IUD placement
- Describe correct use of uterine sound during IUD placement
- Demonstrate correct hand skills for placement of the copper IUD and the levonorgestrel IUDs
- Explain the differences between the 5 IUDs currently on the market in the US
- Summarize the U.S. MEC category 3 and 4 recommendations regarding levonorgestrel and copper IUDs

#### **Successful Completion:**

This Course offers 1.5 contact hours. To receive contact hours, participants must complete the course with a satisfactory grade of 80% or higher on the quiz and complete the online evaluation and request for credit form. In addition to the online portion, participants must attend the entire face-to-face training and complete an online evaluation and request for credit form. CNE, CMEs and Certificates of Completion will be emailed approximately 4 weeks after the face-to-face training has been completed and submission of the online evaluation/request for credit form.

#### **Commercial Support/ Sponsorship:**

Commercial support of IUC training kits (in-kind support) has been provided by Cooper Surgical, Medicines 360 and Bayer.

#### **Non-Endorsement of Products:**

The University of Missouri-Kansas City School of Nursing, the ANCC do not approve or endorse any commercial products associated with this activity.

#### **Conflict of Interest:**

In accordance with continuing education guidelines, the speaker and planning committee members have disclosed commercial interests/ financial relationships with companies whose products or services may be discussed during this program.

Trainers: Patty Cason (Merck, ConraMed, Evofem – Advisory board & speakers' bureau and Teva, Medicines 360 consultant) (Resolved).

Planning committee: Sharon Colbert, Charlotte Curtis, Tracy VanVlack, and Angela Bolen have nothing to disclose. Jacki Witt serves on the advisory board for Afaxys Pharmaceuticals. (Resolved)

#### **Accreditation Statements:**
