

Disclosure Information

LARC IUD Placement Training

Provided by the Clinical Training Center for Family Planning
and UMKC School of Nursing and Health Studies

Objectives:

- Identify reasons for use of a tenaculum during IUC placement
- Describe correct use of uterine sound during IUC placement
- Demonstrate correct hand skills for placement of the copper IUD and the levonorgestrel IUDs
- Explain the differences between the 5 IUDs currently on the market in the US
- Summarize the U.S. MEC category 3 and 4 recommendations regarding levonorgestrel and copper IUDs

Successful Completion:

This presentation offers 1.5 contact hours. To receive contact hours, participants must complete the online evaluation and request for credit form and complete the course with a satisfactory grade of 80% or higher on all module quizzes. CNE and Certificates of Completion are available immediately for electronic download upon satisfactory completion of the course.

Commercial Support/ Sponsorship:

Commercial support of IUC training kits (in-kind support) has been provided by Cooper Surgical, Medicines 360 and Bayer.

Non-Endorsement of Products:

The University of Missouri-Kansas City School of Nursing and the ANCC do not approve or endorse any commercial products associated with this activity.

Conflict of Interest:

In accordance with continuing education guidelines, the speaker and planning committee members have disclosed commercial interests/ financial relationships with companies whose products or services may be discussed during this program.

Faculty: Patty Cason (Merck, ConraMed, Evofem – Advisory board & speakers bureau and Teva, Medicines 360 consultant) (Resolved).

Planning committee: Sharon Colbert, Angela Bolen, Charlotte Curtis, and Tracy VanVlack have nothing to disclose and Jacki Witt serves (advisory board for Afaxys) (Resolved)

Nursing:

The University of Missouri-Kansas City School of Nursing and Health Studies is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This program offers up to 1.5 contact hours for the LARC IUD didactic session.

Enduring Materials – Contact hours will be awarded for this program through December 31, 2019.

Contact Angela Bolen at bolena@umkc.edu or 816-235-6611 if you have questions regarding continuing education credit.
