

Articles of Interest

Providing Reproductive Life Planning for Non-Cisgender and Non-Heterosexual Women

Overview

In the latest Article of Interest from the CTCFP, we explore how to recognize barriers for sexual minorities in the family planning setting, perceptions of the group's clinical experiences, and consequences when the community does not receive quality family planning

Successful Completion

This course offers 1.0 contact hours. To receive contact hours, participants must complete the course with a satisfactory grade of 80% or higher on the quiz and complete the Evaluation/Request for Credit form. CNE and certificates of completion will be available immediately upon passing the course and submitting the evaluation.

Objectives

1. Recognizing barriers for sexual minorities in the family planning setting.
2. What are the perceptions of sexual minority group regarding their clinical experiences within the family planning setting?
3. Consequences for the LGBTQIA communities when they do not receive Quality Family Planning.

Conflict of Interest

In accordance with continuing education guidelines, speakers and planning committee members have disclosed financial relationships with commercial interests that may create a potential conflict of interest.
