

## **Disclosure Information**

### **Implementing Quality Family Planning – Advanced Contraception Care Module 3**

The Collaborative to Advance Health Services at the  
University of Missouri-Kansas City School of Nursing and Health Studies

#### **Objectives**

- Explain prescribing information on a full range of contraceptive methods.
- Apply the most current evidence-based information about contraceptive methods when educating and counseling clients.
- Help clients navigate key issues related to their contraceptive method.

#### **Successful Completion:**

This presentation offers .75 CNE contact hours and .5 CHES hours. To receive contact hours, participants must complete a quiz with a satisfactory grade of 80% or higher on the quiz, and complete the Evaluation and Request for Credit Form. CNE certificates and Certificates of Attendance will be available immediately upon passing the course and submitting the evaluation. CHES certificates will be emailed within 4 weeks of submitting the evaluation.
