

## **Disclosure Information**

### **Implementing Quality Family Planning – Module 1**

### **E-Learning**

Provided by the UMKC School of Nursing and Health Studies, National Clinical Training Center  
for Family Planning

#### **Conference Objectives:**

- ✧ Identify steps involved in screening all clients for pregnancy desires and/or reproductive plan
- ✧ Describe to clients essential characteristics about contraceptive methods such as mode of use, effectiveness and side effects
- ✧ Determine when and how to provide contraceptive counseling and services to all clients wishing to prevent pregnancy using a client-centered, culturally, linguistically, and age appropriate approach

#### **Successful Completion:**

This activity offers 2 CNEs and .5 CHES. To receive contact hours, participants must complete a quiz with a satisfactory grade of 80% or higher on the quiz, and complete the Evaluation and Request for Credit Form. CNE certificates and Certificates of Attendance will be available immediately upon passing the course and submitting the evaluation. CHES certificates will be emailed within 4 weeks of submitting the evaluation.
