

Disclosure Information

Opioid Response Network Community Collaboration

Provided by the UMKC School of Nursing and Health Studies
Jointly Provided by Opioid Response Network
Online Pre-recorded Modules

Description:

Eight pre-recorded modules will address ongoing and emerging issues related to the opioid epidemic and substance use disorder prevention, treatment, and recovery. These include evidence-based approaches to prevention, treatment, and recovery with a focus on special populations such as youth and adolescents, pregnant and parenting women, and people of color and/or underserved communities.

Successful Completion:

Participants must complete all online pre-recorded modules. To receive contact hours, participants must complete all of the online modules with a satisfactory grade of 80% or higher on the quiz and complete the Evaluation/Request for Credit form. Certificates will be emailed within four to six weeks.
