

## Articles of Interest

### How To Improve HPV Vaccination Rates in Your Practice

Provided by the University of Missouri-Kansas City School of Nursing and Health Studies  
Jointly-Provider by the Clinical Training Center for Family Planning

#### Overview

The NCTCFP presents a new Continuing Education modality, “**Articles of Interest**,” featuring journal articles to keep you informed of family planning and reproductive health topics. This new on-line resource provides an easy way to obtain CE credit at your convenience! Just read the articles and complete a quiz about the content.

#### Successful Completion

This course offers .75 contact hours. To receive contact hours, participants must complete the course with a satisfactory grade of 80% or higher on the quiz and complete the Evaluation/Request for Credit form. CNE and certificates of completion will be available immediately upon passing the course and submitting the evaluation.

#### Objectives

1. Discuss strategies to improve vaccination rates in pediatric and adult populations.
2. Analyze the impact of the HPV vaccine on cancer rates in the U.S.
3. Discuss different intervention models to increase HPV vaccination within your practice.

#### Conflict of Interest

In accordance with continuing education guidelines, speakers and planning committee members have disclosed financial relationships with commercial interests that may create a potential conflict of interest.

#### Disclosures

**Author Disclosures:** Brian E. Dixon, MPA, PhD, Gregory D. Zimet, PhD, Shan Xiao, PhD, Wanzhu Tu, PhD, Brianna Lindsay, PhD, Abby Church, MPH, Stephen M. Downs, MD, MS, Lauri E. Markowitz, MD, Elissa Meites, MD, MPH, Peter G. Szilagyi, Harrell W. Chesson, Elizabeth R. Unger, José R. Romero and Lauri E. Markowitz have nothing to disclose.
